

THE SANITARY BOARD OF THE CITY OF
CHARLESTON, WEST VIRGINIA,
A MUNICIPAL UTILITY

**WASTEWATER TREATMENT PLANT OPERATOR-IN-TRAINING to CLASS
IV OPERATORS**

The Sanitary Board of the City of Charleston (CSB) is seeking licensed Sewage Treatment Plant Operators and Operators-In-Training (OIT) for its wastewater treatment plant. These positions report to the Wastewater Treatment Plant Supervisors and are responsible for, among other things, the proper operation required to keep the plant in compliance with all discharge permits and keeping the plant clean.

Licensed Operators must have a high school diploma or GED; college degree or certified training classes in same or related field is a plus, but not necessary; must have hands-on experience in the operation and maintenance of wastewater treatment plants, with knowledge in process control and mechanical functionality of pumps, process equipment, valves and controls; and must have a valid, West Virginia Class I-IV Sewage Treatment Operators License.

OIT applicants must have a high school diploma or GED; college degree or certified training classes in same or related field and experience in operations and maintenance of wastewater treatment plants are a plus, but are not required. Successful candidate(s) must obtain certification as a Class I Wastewater Treatment Works Operator within one year of hire. CSB will pay for the training that is necessary for this position to meet the requirements to become eligible for testing.

The Sanitary Board offers an excellent compensation package including a competitive salary and access to a full range of excellent benefits including; health, vision, dental and life insurance; the PERS (State) Retirement program and a generous paid-leave (annual and sick leave) program.

Please respond by providing a complete, current resume and a letter of interest. Responses should be addressed to: Charleston Sanitary Board, 208 26th Street, Charleston, WV 25387-1818, Attn: HR Manager. No phone calls please. Equal Opportunity Employer.
